

10 And the little chambers of the gate that looked eastward were three on this side, and three on that side: all three were of one measure, and the fronts of one measure, on both parts.

11 And he measured the breadth of the threshold of the gate ten cubits: and the length of the gate thirteen cubits:

12 And the border before the little chambers one cubit: and one cubit was the border on both sides: and the little chambers were six cubits on this side and that side.

13 And he measured the gate from the roof of one little chamber to the roof of another, in breadth five and twenty cubits: door against door.

14 He made also fronts of sixty cubits: and to the front the court of the gate on every side round about.

15 And before the face of the gate which reached even to the face of the porch of the inner gate, fifty cubits.

16 And slanting windows in the little chambers, and in their fronts, which were within the gate on every side round about: and in like manner there were also in the porches windows round about within, and before the fronts the representation of palm trees.

17 And he brought me into the outward court, and behold there were chambers, and a pavement of stone in the court round about: thirty chambers encompassed the pavement.

18 And the pavement in the front of the gates according to the length of the gates was lower.

19 And he measured the breadth from the face of the lower gate to the front of the inner court without, a hundred cubits to the east, and to the north.

20 He measured also both the length and the breadth of the gate of the outward court, which looked northward.

21 And the little chambers thereof three on this side, and three on that side: and the front thereof, and the porch thereof according to the measure of the former gate, fifty cubits long, and five and twenty cubits broad.

22 And the windows thereof, and the porch, and the gravings according to the measure of the gate that looked to the east, and they went up to it by seven steps, and a porch was before it.

23 And the gate of the inner court was over against the gate of the north, and that of the east: and he measured from gate to gate a hundred cubits.

24 And he brought me out to the way of the south, and behold the gate that looked to the south: and he measured the front thereof, and the porch thereof according to the former measures.

25 And the windows thereof, and the porches round about, as the other windows: the length was fifty cubits, and the breadth five and twenty cubits.

26 And there were seven steps to go up to it: and a porch before the doors thereof: and there were graven palm trees, one on this side, and another on that side in the front thereof.

27 And there was a gate of the inner court towards the south: and he measured from gate to gate towards the south, a hundred cubits.

28 And he brought me into the inner court at the south gate: and he measured the gate according to the former measures.

29 The little chamber thereof, and the front thereof, and the porch thereof with the same measures: and the windows thereof, and the porch thereof round about it was fifty cubits in length, and five and twenty cubits in breadth.

30 And the porch round about was five and twenty cubits long, and five cubits broad.

31 And the porch thereof to the outward

court, and the palm trees thereof in the front: and there were eight steps to go up to it.

32 And he brought me into the inner court by the way of the east: and he measured the gate according to the former measures.

33 The little chamber thereof, and the front thereof, and the porch thereof as before: and the windows thereof, and the porches thereof round about it was fifty cubits long, and five and twenty cubits broad.

34 And the porch thereof, that is, of the outward court: and the graven palm trees in the front thereof on this side and on that side: and the going up thereof was by eight steps.

35 And he brought me into the gate that looked to the north: and he measured according to the former measures.

36 The little chamber thereof, and the front thereof, and the porch thereof, and the windows thereof round about it was fifty cubits long, and five and twenty cubits broad.

37 And the porch thereof looked to the outward court: and the graving of palm trees in the front thereof was on this side and on that side: and the going up to it was by eight steps.

38 And at every chamber was a door in the forefronts of the gates: there they washed the holocaust.

39 And in the porch of the gate were two tables on this side, and two tables on that side: that the holocaust, and the sin offering, and the trespass offering might be slain thereon.

40 And on the outward side, which goeth up to the entry of the gate that looketh toward the north, were two tables: and at the other side before the porch of the gate were two tables,

41 Four tables were on this side, and four tables on that side at the sides of the gate were eight tables, upon which they slew the victims.

42 And the four tables for the holocausts were

made of square stones: one cubit and a half long, and one cubit and a half broad, and one cubit high: to lay the vessels upon, in which the holocaust and the victim is slain.

43 And the borders of them were of one hand-breadth, turned inwards round about: and upon the tables was the flesh of the offering.

44 And without the inner gate were the chambers of the singing men in the inner court, which was on the side of the gate that looketh to the north: and their prospect was towards the south, one at the side of the east gate, which looketh toward the north.

45 And he said to me: This chamber, which looketh toward the south shall be for the priests that watch in the wards of the temple.

46 But the chamber that looketh towards the north shall be for the priests that watch over the ministry of the altar. These are the sons of Sadoc, who among the sons of Levi, come near to the Lord, to minister to him.

47 And he measured the court a hundred cubits long, and a hundred cubits broad foursquare: and the altar that was before the face of the temple.

48 And he brought me into the porch of the temple: and he measured the porch five cubits on this side, and five cubits on that side: and the breadth of the gate three cubits on this side, and three cubits on that side.

49 And the length of the porch was twenty cubits, and the breadth eleven cubits, and there were eight steps to go up to it. And there were pillars in the fronts: one on this side, and another on that side.

Chapter 41

And he brought me into the temple, and he measured the fronts six cubits broad on this side, and six cubits on that side, the breadth of the tabernacle.

2 And the breadth of the gate was ten cubits: and the sides of the gate five cubits on this side, and five cubits on that side: and he measured the length thereof forty cubits, and the breadth twenty cubits.

3 Then going inward he measured the front of the gate two cubits: and the gate six cubits, and the breadth of the gate seven cubits.

4 And he measured the length thereof twenty cubits, and the breadth twenty cubits, before the face of the temple: and he said to me: This is the holy of holies.

5 And he measured the wall of the house six cubits: and the breadth of every side chamber four cubits round about the house on every side.

6 And the side chambers one by another, were twice thirty-three: and they bore outwards, that they might enter in through the wall of the house in the sides round about, to hold in, and not to touch the wall of the temple.

7 And there was a broad passage round about, going up by winding stairs, and it led into the upper loft of the temple all round: therefore was the temple broader in the higher parts: and so from the lower parts they went to the higher by the midst.

8 And I saw in the house the height round about, the foundations of the side chambers which were the measure of a reed the space of six cubits:

9 And the thickness of the wall for the side chamber without, which was five cubits: and the inner house was within the side chambers of the house,

10 And between the chambers was the breadth of twenty cubits round about the house on every side.

11 And the door of the side chambers was turned towards the place of prayer: one door was toward the north, and another door was toward the south: and the breadth of the place for prayer, was five cubits round about.

12 And the building that was separate, and turned to the way that looked toward the sea, was seventy cubits broad and the wall of the building, five cubits thick round about: and ninety cubits long.

13 And he measured the length of the house, a hundred cubits: and the separate building, and the walls thereof, a hundred cubits in length.

14 And the breadth before the face of the house, and of the separate place toward the east, a hundred cubits.

15 And he measured the length of the building over against it, which was separated at the back of it: and the galleries on both sides a hundred cubits: and the inner temple, and the porches of the court.

16 The thresholds, and the oblique windows, and the galleries round about on three sides, over against the threshold of every one, and floored with wood all round about: and the ground was up to the windows, and the windows were shut over the doors.

17 And even to the inner house, and without all the wall round about within and without, by measure.

18 And there were cherubims and palm trees wrought, so that a palm tree was between a cherub and a cherub, and every cherub had two faces.

19 The face of a man was toward the palm tree on one side, and the face of a lion was toward the palm tree on the other side: set forth through all
